**§ 36.11 Services available.**

(a) Type of services that may be available. Services for the Indian community served by the local facilities and program may include hospital and medical care, dental care, public health nursing and preventive care including immunizations, and health examination of special groups such as school children.

(b) Where services are available. Available services will be provided at hospitals and clinics of the Service, and at contract facilities (including tribal facilities under contract with the Service).

(c) Determination of what services are available. The Service does not pro-

vide the same health services in each area served. The services provided to any particular Indian community will depend upon the facilities and services available from sources other than the Service and the financial and personnel resources made available to the Service.

(d) *Priorities when funds, facilities, or personnel are insufficient to provide the indicated volume of services.* Priorities for care and treatment, as among individuals who are within the scope of the program, will be determined on the basis of relative medical need and access to other arrangements for obtaining the necessary care.

**§ 36.12 Persons to whom health services will be provided.**

(a) Subject to the requirements of this subpart, the Indian Health Service will provide direct services at its facilities, and contract health services, as medically indicated, and to the extent that funds and resources allocated to the particular Health Service Delivery Area permit, to persons of Indian or Alaska Native descent who:

(1) Are members of a federally recognized Indian tribe; and

(2) reside within a Health Service Delivery Area designated under § 36.15; or

(3) Are not members of a federally recognized Indian tribe but are the natural minor children (18 years old or under) of a member of a Federally recognized tribe and reside within a Health Service Delivery Area designated under § 36.15.

(b) Subject to the requirements of this subpart, the Indian Health Service will also provide direct services at its facilities and, except where otherwise provided, contract health services, as medically indicated and to the extent that funds and resources allocated to the particular Health Service Delivery Area permit, to people in the circumstances listed below:

(1) To persons who meet the eligibility criteria in paragraph (a) of this section except for the residency requirement, who formerly resided within a Health Service Delivery area designated under § 36.15, and who present
